Hallo Isaias,

at first we want to wish you and your family a very happy new year. We hope you are all fine and healthy. Thank you for your last letter, we enjoyed it a lot. So it`s time to answer you at least.

Here in germany we now have winter, but there is no snow, it`s only a little bit cold, that means nearly 0 deegree. All trees have lost their leaves and it is raining nearly every day. I think the weather at your home is a little bit more friendly than here. But it doesn`t matter, because we have to go to work every day.

Now, how did you spend christmas? Here in germany many families have a christmastree with many decorations, some people go to church, then they give their presents to the family and their friends and they eat a lot of good things. And we have christmas parties and so I will tell you a little bit of our christmas party of our community:

Many members and friends came, they brought something to eat, we had music and we danced, so we do on every party. Then we had a philippine dancegroup, you see at the photos :

They showed us some dances of the Philippines and it was very interesting.

With our children I did some handycrafts for Christmas and they had a lot of fun to paint and to cut some christmasstars. And then Santa Claus came. The children had studied a special song for him and he was very enjoyed to hear them singing it. For award they got some sweets.

It was a very nice evening and we all had very much fun.

So I will end for this time, many greetings from all our members to you and your family.
Have a good time, stay healthy till the next time!

Your Frauke Ehring
